ABOUT US

Guangzhou Reyeah Technology Co., Ltd was founded in 2011 with brands Phoprint photo booth and Reyeah vending machines. Phoprint is an innovative technology company engaged in research, development, production, sales, and OEM/ODM as a one-stop solution mainly for DSLR photo booth, 360 photo booth, iPad photo booth, Glambot and Mirror photo booth machine.

Phoprint are highly effective teams that integrate design production and sales service. With a professional, passionate, and diligent sales team, every one of Phoprint's clients has his most suitable photo booth kiosks. To best facilitate the deployment of our products, we also provide tailored services to meet customers' particular requirements for outlook and functions. Phoprint has been a leader in the Photo Booth and smart unmanned retail industry.
